

#### Soft brush. Ultimate results.

Unique Power Roller for impeccable results and polishing effect on hard floors.

---

Unique Power Roller for impeccable results and polishing effect on hard floors.

#### Product Benefits & Features

#### Superior performance on hard floors.

Power Roller with improved cleaning width delivers superior performance on hard floors from fine dust to XXL particles with polishing effect.

- Quick release brush roll
- Integrated crevice tool
- Charging indicator light
- Accessories parking slot
- Crevice nozzle
- Li-Ion Battery - longer run time and a higher cleaning performance

#### Improved edge and corner cleaning.

The sealed nozzle system creates higher air speed and suction closer to the floor which gives 6x better crevice pick up and makes it easy to clean edges and corners. The motor inside the brush roll and red plush below nozzle improve the side suction.

\*Compared to previous model AG3013.

#### Multi-surface cleaning.

Easily detachable handheld for above the floor and multi-surface cleaning. Vacuum large areas or small places more difficult to reach with ease.

#### Self-standing design.

Park the cleaner into an upright position anywhere.

#### Low weight in hand.

Low weight in hand for more comfortable use and better maneuverability.

Product Specification

Battery type	Li-ion
Charging time h	4
Runtime (minutes)	45
Running time Normal Speed	N/A
Running time High Speed	16
Filter type	Double Filtration
Other	No
Dust compartment volume	0.5
Type	Bagless
Storage	Charging stand
